

YOUR PARTNER IN STRATEGIC STAFFING

MMC provides strategic staffing services to Fortune 1000 companies, system integrators and government agencies through dedicated staffing partnerships and workforce management solutions. Our unique enterprise approach focuses on uncovering what drives your resource needs so that we can provide the staff, training, support resources and expertise to help you accomplish your business goals.

As your dedicated staffing partner, MMC works closely with your organization and within your existing HR systems and processes. A staffing partnership with MMC delivers the personalized service of a dedicated account team with the scope and footprint of a national firm to ensure a faster time-to-hire and better employee fit.

Enterprise-Wide Staffing & Placement

Reduce time-to-hire and improve quality with a strategic staffing partner who understands the unique needs of your company and your clients and adapts to match your enterprise systems and processes.

Work-Ready Resources

Reduce costs, liability and time-to-productivity for your contingent workforce with a strategic staffing partner who provides screening, selection, onboarding and training to deliver work-ready resources.

Employer of Record

Reduce compliance costs and risks associated with non-core employees and independent contractors with a strategic staffing partner who offers the scope and scale to serve as the employer of record for resources across the United States.

Project Partnership

Accelerate delivery and reduce costs with a strategic staffing partner who can go beyond selection and training and provide full accountability for a project segment or deliverable.

FUNCTIONAL EXPERTISE

Our teams have years of experience in the industries we serve. We speak the language of your Call Center, HR, IT, and Finance and Accounting departments to support you with the right people with the right skills, at the right time to improve your service levels.

CALL CENTER

Staffing a call center and keeping it running at peak efficiency requires equal parts timing and expertise. Call centers require a steady pipeline of qualified candidates to meet periodic surge volumes and a high rate of turnover. MMC will keep your call center fully staffed from day one, as well as maintain a pool of trained, ready-to-work talent to fill the gaps and keep your operation productive and efficient.

HUMAN RESOURCES

As a tier one staffing partner for large integrators and Fortune 1000 companies for over 15 years, MMC knows what it takes to build a world class HR organization. We work closely with your HR team to help make your workforce more flexible and responsive to your company's needs.

INFORMATION TECHNOLOGY

MMC partners with your organization to provide full-service, turnkey solutions with work-ready resources to match your project timelines and requirements. With years of experience in IT, our team specializes in understanding both the technical capabilities required and the specific environments where those capabilities will be utilized. You can count on us to find the right technical experts to help you complete your project on time and on budget.

FINANCE & ACCOUNTING

MMC delivers expert finance and accounting resources to fit your unique timing and requirements. We can supply your team with short-term or ongoing resources to accommodate a wide variety of scenarios, including internal audit, financial restructuring, mergers and acquisitions, and other sensitive projects. MMC's solutions provide you with ready-to-work personnel to fulfill your finance and accounting needs when speed, discretion and professionalism are critical to success.
