

**MMC**

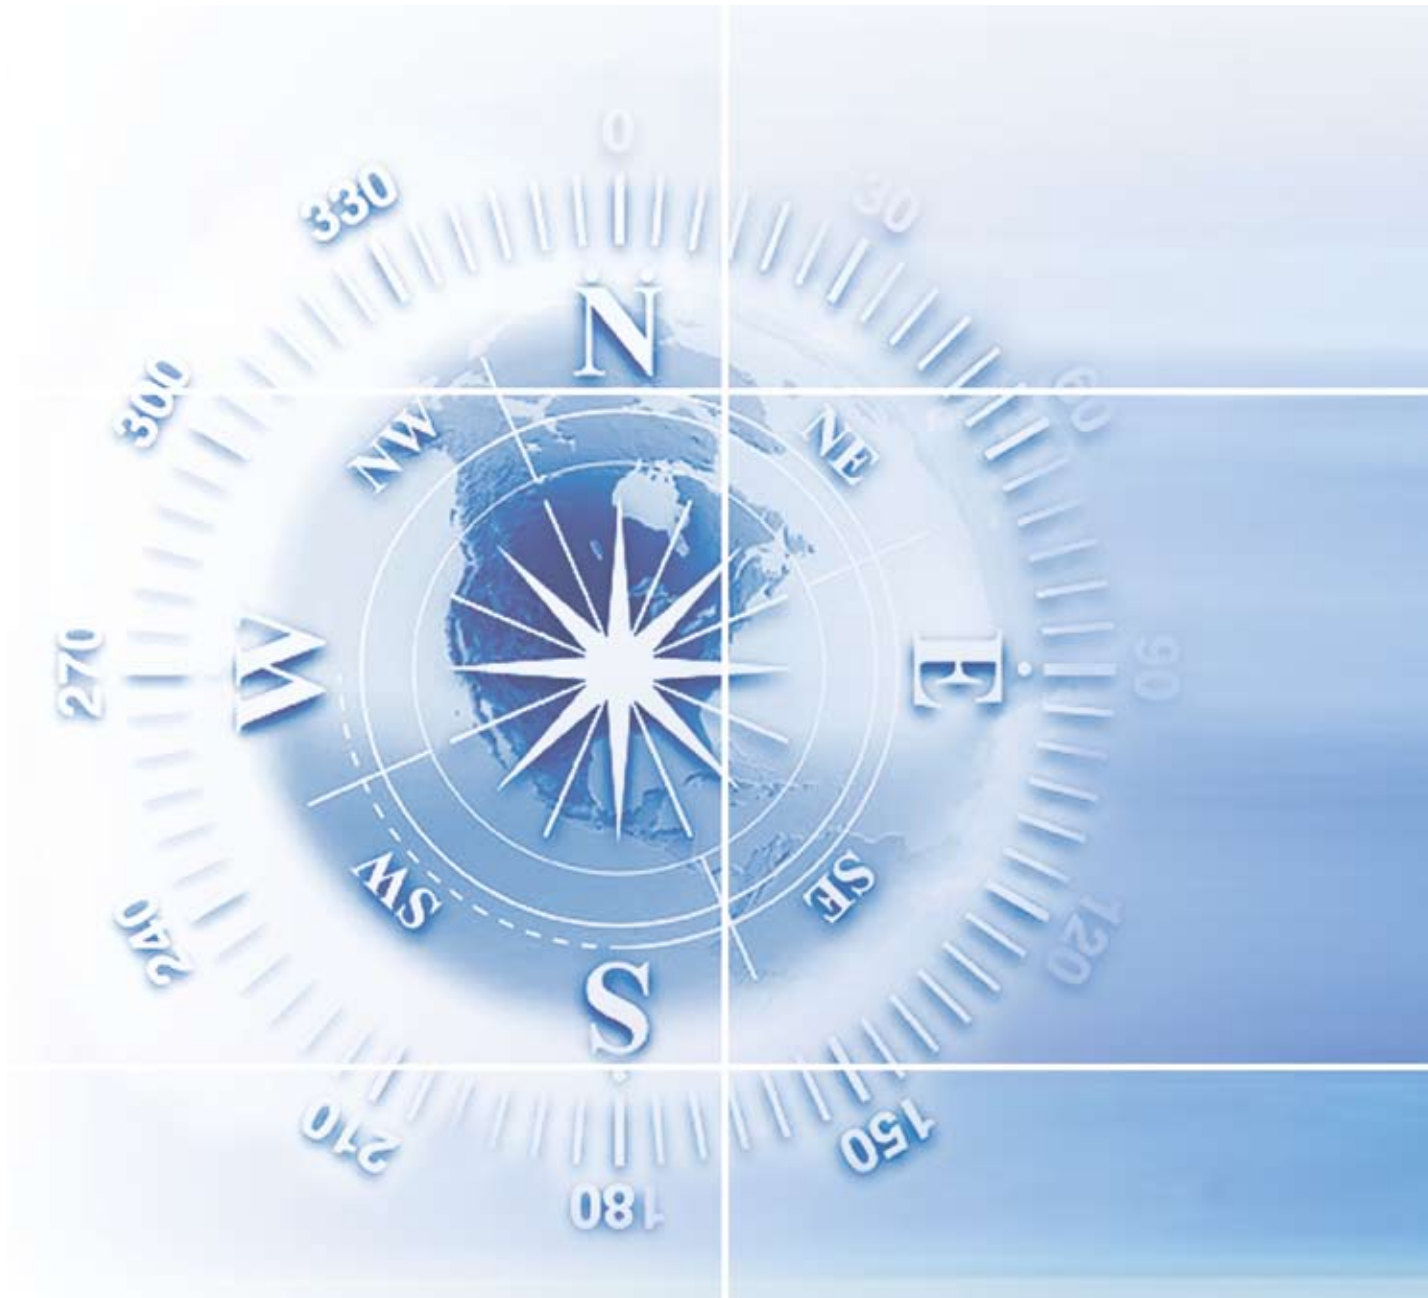

***SOLUTIONS MAXIMIZED***  
***PROBLEM SOLVED***

Founded in 1992 | Headquartered in Irving, Texas | Nationwide Services

Outsourcing | Consulting | Workforce Management Solutions

MMC provides outsourcing, consulting, and workforce management solutions to commercial, federal, state and local clients nationwide. As a long-term preferred supplier to Fortune 500 clients, MMC understands client needs, develops tailored solutions to meet those needs, and delivers excellent services which exceed requirements.

## OUR PHILOSOPHY

Provide professional quality services of superior value that yield long-term relationships.

### WHAT WE DO

We manage projects under a wide variety of technical and non-technical disciplines ranging from one to several hundred personnel. By leveraging strategic partnerships with large and small companies, MMC provides the capacity of a large company with the flexibility and responsiveness of a small company.

## OUR SERVICES

### Outsourcing

In today's increasingly complex and competitive business environment, more successful companies are outsourcing non-core processes to improve financial performance. Our clients need the flexibility to focus more of their time on core processes to ensure their businesses thrive in a globally competitive marketplace. Our business is managing non-core processes for our clients.

MMC's experience includes the development, implementation, and operational support of a wide variety of programs and systems in service-oriented projects, including:

- Call Center Operations
- Child Support Payment Disbursement
- Cost Recovery & Avoidance
- Help Desk Operations
- Medicaid Eligibility–Third Party Liability Program Management
- Quality Assurance
- Transaction Processing

### Workforce Management Solutions

MMC provides technical and non-technical staff augmentation services nationwide for short and long-term assignments. We provide comprehensive workforce solutions to support the needs of our clients at every stage of program, product, or business lifecycle development.

MMC provides extensive project-based and ongoing operational support services nationwide. **At MMC, we source efficiently, manage effectively, and retain the best.**

Primary workforce management solutions include:

- Contingent Workforce Acquisition
- Direct Placement
- Human Resource Outsourcing
- Independent Contractor Program
- Professional Payrolling
- Recruitment Process Outsourcing
- Web-based Employee Management System

## Consulting

MMC delivers consistent, professional management consulting services nationwide, helping our clients better compete and manage their corporations in a fast-paced ever changing economy. **We deliver project start-up, management, and support services, not simply consulting reports.**

As experts in human capital, MMC provides “been there, done that, and done it well” project resources to help our clients build the businesses they need for tomorrow. **MMC provides the right resources, at the right time, for the right price.**

We work side-by-side with our clients to provide strategic direction and project planning by:

- **Understanding** project requirements,
- **Planning** initiatives to exceed project requirements,
- **Implementing** planned initiatives in accordance with client requirements, and
- **Supporting** projects with comprehensive workforce management solutions.

Major management consulting services include:

- Bankruptcy & Receivership Management
- Financial Restructuring
- Planning & Change Management
- Project Management & Delivery
- Supply Chain Management
- Transition Management

## FAST FACTS

- › Liquidated more than \$10 billion in assets and employed more than 1,000 receivership personnel as a 15-year Federal Receivership Assistance Contractor.
- › Independently manages five key components of the 3rd largest Medicaid Management Information System in the country, providing recoveries and cost avoidances of more than \$650 million per year.
- › Provided more than 500 call center managers and customer service agents in support of a Fortune 500 client's largest Texas-based call center.
- › Provides 80% of the personnel needed to process more than one million child support payments per month for the Office of the Attorney General for the State of Texas.
- › Largest volume small business subcontractor on the Treasury Communications System contract, a 300-person, 10-year project, to maintain the private data network infrastructure of the Department of Treasury and its bureaus.
